## FIRST TRUST DEED INVESTMENT

<b>BORROWER</b>	<b>Foxhills 216, LLC</b>
<i>Background</i>	Kent Hoggan has been a developer and home builder since 1973. Focusing solely upon the Western United States with over 50 successful master planned communities. Over 60% of these projects have been sold to national homebuilders under the name of Ridgecrest Homes
<i>Equity</i>	The borrower currently has more than \$5.5 million in the project.
<i>Guarantees</i>	The loan will be personally guaranteed by Kent Hoggan who has a net worth of approximately \$210 million as of September 30, 2005.
<b>LOAN AMOUNT</b>	<b>\$29,000,000</b>
<b>INTEREST RATE</b>	12.5% (net). Interest is paid monthly for the term of the loan. An interest reserve for the term of the loan is included in the loan amount and will be placed in a reserve account held by a third-party project disbursement company and controlled by USA Capital.
<b>LOAN-TO-VALUE</b>	Approximately 55% based on values of similar properties in the area. An appraisal has been ordered.
<b>TERM</b>	12 months, with two optional extensions of six months, provided the loan is performing and no default has occurred, and subject to approval of USA Capital.
<b>COLLATERAL</b>	First Deed of Trust on 987 acres generally known as Fox Hills Phase II, which is currently being planned for about 900 homes. This second phase of the master planned community is waiting for final entitlement approval, which we estimate to occur in Summer 2006. Merced County Board of Supervisors has already approved the Fox Hills Preliminary Package with a unanimous vote. The property sits directly on Interstate 5 as well as State Route 152. These arterials provide access to the metropolitan cities of Fresno, San Jose, & Modesto, California. The property is located in the county of Merced.
<b>PROJECT</b>	This project is the second phase of the successful Fox Hills master planned community. It is currently planned to provide 3,100 homes, which when completed will comprise a mixture of high- and medium-density single-family homes, golf course with adjoining homes, and some attractive commercial acreage. It is expected the project will contain a community park and elementary school. National homebuilders have expressed interest in purchasing the bulk of lots in Phase I and are in negotiations to purchase the remainder of lots in Phase II.
<b>USE OF PROCEEDS</b>	The proceeds from this loan will be used to acquire the remainder of the land acreage and water rights needed to complete the Fox Hills master planned community.

**MARKET AREA**

Situated among rolling topography and stunning views, Fox Hills promises to be one of the region's finest new communities. The majority of new residents are relocating to the area from San Jose, Salinas, Monterey, and Watsonville, many of whom are upgrading from their existing homes. Fox Hills is situated near the City of Los Banos, which provides day-to-day amenities that enhance the well being of residents including a diverse selection of restaurants, health care services, shopping centers, and education facilities.

**EXIT STRATEGY**

The project is currently being pursued by large real estate syndicates. Property could be sold "as-is" for a substantial profit. Our borrower believes that profits can be maximized if he waits until completion of the property entitlements. The Borrower is currently working to complete all entitlements while simultaneously entertaining offers from potential buyers.

PROMISSORY NOTE  
SECURED BY DEED OF TRUST

\$25,755,000.00

Las Vegas, Nevada  
January 23, 2006

This Promissory Note ("Note"), dated as of January 23, 2006 is made and delivered by **Fox Hills 216, LLC**, a California limited liability company, **Fox Hills 73, LLC**, a California limited liability company, **Fox Hills 50, LLC**, a California limited liability company, **Fox Hills 26, LLC**, a California limited liability company, **Fox Hills Nursery, LLC**, a California limited liability company, **Fox Hills Mitigation, LLC**, a California limited liability company, and **Fox Hills Fresno Slough, LLC**, a California limited liability company (collectively "Borrower"), in favor of the persons listed on **Exhibit "A"** hereto ("Lender"). Capitalized terms used herein and not otherwise defined herein shall have the meanings set forth in the Loan Agreement dated of even date herewith between Borrower and Lender.

FOR VALUE RECEIVED, Borrower promises to pay to Lender, or order, the principal sum of Twenty Five Million Seven Hundred Fifty-five Thousand Dollars (\$25,755,000.00) (the "Note Amount"), together with interest as provided herein.

1. Interest Rate. Interest shall accrue on the outstanding portion of the Note Amount, from the date Lender initially disburses such funds until the date the Note Amount is paid in full, at the rate of thirteen and one-half percent (13.5%) per annum. Interest shall be calculated on the basis of a 360-day year and actual days elapsed. Accrued but unpaid interest shall be compounded monthly.

2. Payments. Monthly interest on the Note Amount shall be due and payable on the first day of each month, in arrears. For example, interest that accrues in the month of May will be due and payable on June 1, and will be calculated on the amount due under the Note on that day. All payments shall be made in lawful money of the United States of America and in immediately available funds at Lender's office, the address for which is specified below, or at such other place as the Lender hereof may from time to time direct by written notice to Borrower.

3. Maturity Date. If not sooner paid, the outstanding principal balance under this Note, all accrued and unpaid interest, and all other indebtedness of Borrower owing under any and all of the Loan Documents shall be due and payable in full on or before the date which is twelve (12) months from the recording of the Deed of Trust (the "Maturity Date").

4. Application of Payments. All payments on this Note shall, at the option of the Lender hereof, be applied first to the payment of accrued interest then payable.

5. Prepayment. Borrower agrees that all loan fees and any prepaid finance charges are fully earned as of the date hereof and will not be subject to refund upon early payment (whether

voluntary or as a result of default). Subject to the foregoing, at any time prior to the Maturity Date, Borrower may prepay this Note in full or in part at any time provided, however, that if this Note is prepaid, whether voluntarily or involuntarily due to an acceleration hereof, within the first one hundred and twenty (120) days of the term hereof then Borrower shall pay a prepayment charge equal to the sum of all interest which would accrue on the entire Note Amount during the first one hundred and twenty (120) days of the term hereof, less the sum of all interest previously paid to Lender.

6. Collateral. This Note is secured by one or more deeds of trust encumbering real property located in Merced County, California and Fresno County, California.

7. Defaults; Acceleration. The occurrence of any Event of Default (as hereinafter defined) shall be a default hereunder. Upon the occurrence of an Event of Default, Lender may declare the entire principal balance of the Note then outstanding (if not then due and payable) and all other obligations of Borrower hereunder to be due and payable immediately. Subject to the applicable provisions of law, upon any such declaration, the principal of the Note and accrued and unpaid interest, and all other amounts to be paid under this Note shall become and be immediately due and payable, anything in this Note to the contrary notwithstanding.

The occurrence of any one or more of the following, whatever the reason therefor, shall constitute an "Event of Default" hereunder:

(a) Borrower shall fail to pay when due any amount due pursuant to the Note; or

(b) Borrower or any guarantor ("Guarantor") of the Note shall fail to perform or observe any term, covenant or agreement contained in the Note or any guaranty executed and delivered concurrently herewith on its part to be performed or observed, other than the failure to make a payment covered by subsection (a), and such failure shall continue uncured as of ten (10) calendar days after written notice of such failure is given by Lender to Borrower; provided, however, that if the default cannot be cured in 10 days but Borrower is diligently pursuing the cure, then Borrower shall have thirty (30) days after written notice to effect the cure (the cure period set forth in this subsection (b) shall not apply to any other Event of Default); or

(c) any representation or warranty contained in any document made or delivered pursuant to or in connection with any of the Loan Documents proves incorrect or to have been incorrect in any material respect when made; or

(d) Borrower (which term shall include any entity comprising Borrower) is dissolved or liquidated, or otherwise ceases to exist, or all or substantially all of the assets of Borrower or any Guarantor are sold or otherwise transferred without Lender's written consent; or

(e) Borrower or any Guarantor is the subject of an order for relief by the bankruptcy court, or is unable or admits in writing its inability to pay its debts as they mature, or makes an assignment for the benefit of creditors; or Borrower or any Guarantor applies for or consents to the appointment of any receiver, trustee, custodian, conservator, liquidator, rehabilitator

or similar officer (the "Receiver"); or any Receiver is appointed without the application or consent of Borrower or any Guarantor, as the case may be, and the appointment continues undischarged or unstayed for sixty (60) calendar days; or Borrower or any Guarantor institutes or consents to any bankruptcy, insolvency, reorganization, arrangement, readjustment of debt, dissolution, custodianship, conservatorship, liquidation, rehabilitation or similar proceedings relating to it or to all or any part of its property under the laws of any jurisdiction; or any similar proceeding is instituted without the consent of Borrower or any Guarantor, as the case may be, and continues undismissed or unstayed for sixty (60) calendar days; or any judgment, writ, attachment, execution or similar process is issued or levied against all or any part of the Property or Borrower or any Guarantor, and is not released, vacated or fully bonded within thirty (30) calendar days after such issue or levy; or

(f) there shall occur a material adverse change in the financial condition of Borrower or any Guarantor from their respective financial conditions as of the date of this Note, as determined by Lender in its reasonable discretion; or

(g) any Loan Document, at any time after its execution and delivery and for any reason other than the agreement of Lender or the satisfaction in full of all indebtedness and obligations of Borrower under the Loan Documents, ceases to be in full force and effect or is declared to be null and void by a court of competent jurisdiction; or Borrower or any trustee, officer, director, shareholder or partner of any entity comprising Borrower or any Guarantor claims that any Loan Document is ineffective or unenforceable, in whole or in part, or denies any or further liability or obligation under any Loan Document, unless all indebtedness and obligations of Borrower thereunder have been fully paid and performed; or

(h) all or a substantial portion of the Property is condemned, seized or appropriated by any Governmental Agency; or

(i) Borrower is dissolved or liquidated, or otherwise ceases to exist, or all or substantially all of the assets of Borrower or the Guarantors are sold or otherwise transferred without Lender's written consent; or

(j) any lien or security interest created by any Security Document, at any time after the execution and delivery of that Security Document and for any reason other than the agreement of Lender or the satisfaction in full of all indebtedness and obligations of Borrower under the Loan Documents, ceases or fails to constitute a valid, perfected and subsisting lien of the priority required by this Agreement or security interest in and to the Property purported to be covered thereby, subject only to the Permitted Exceptions; or

(k) any default occurs in any loan document or other agreement by and between Borrower and Lender or by Borrower in favor of Lender with reference to the Loan or otherwise, or any default occurs in any loan document regarding any loan or other obligation secured by the Property or any portion thereof.

8. Late Charge. Borrower acknowledges that if any interest payment is not made when due or if the entire amount due under this Note is not paid by the Maturity Date, or, if accelerated as permitted by this Note or any other Loan Document, by the date given in the notice of acceleration, the Lender hereof will incur extra administrative expenses (i.e., in addition to expenses incident to receipt of timely payment) and the loss of the use of funds in connection with the delinquency in payment. Because the actual damages suffered by the Lender hereof by reason of such extra administrative expenses and loss of use of funds would be impracticable or extremely difficult to ascertain, Borrower agrees that five percent (5%) of the amount so delinquent shall be the amount of damages to which such Lender is entitled, upon such breach, in compensation therefor. Therefore, Borrower shall, in the event any payment required under this Note is not paid within five (5) days after the date when such payment becomes due and payable pursuant to Sections 2 and 3, above, and without regard to any default notice under Section 7(a), and without further notice, pay to the Lender hereof as such Lender's sole monetary recovery to cover such extra administrative expenses and loss of use of funds, liquidated damages in the amount of five percent (5%) of the amount of such delinquent payment. The provisions of this paragraph are intended to govern only the determination of damages in the event of a breach in the performance of the obligation of Borrower to make timely payments hereunder, including timely payment of any accelerated amount. Nothing in this Note shall be construed as an express or implied agreement by the Lender hereof to forbear in the collection of any delinquent payment or in exercising any of its rights and remedies under the Loan Documents, or be construed as in any way giving Borrower the right, express or implied, to fail to make timely payments hereunder, whether upon payment of such damages or otherwise. The right of the Lender hereof to receive payment of such liquidated and actual damages, and receipt thereof, are without prejudice to the right of such Lender to collect such delinquent payments and any other amounts provided to be paid hereunder or under any security for this Note or to declare a default hereunder or under any security for this Note.

9. Default Rate. From and after the Maturity Date or, if any Event of Default occurs and is not timely cured, from the date the payment was due regardless of any cure period provided in the notice of default, through and including the date such default is cured, at the option of the Lender hereof, all amounts owing under the Note and all sums owing under all of the Loan Documents shall bear interest at a default rate equal to twenty percent (20%) per annum ("Default Rate"). Such interest shall be paid on the first day of each month thereafter, or on demand if sooner demanded.

10. Waivers. Borrower waives any right of offset it now has or may hereafter have against the Lender hereof and its successors and assigns. Borrower waives presentment, demand, protest, notice of protest, notice of nonpayment or dishonor and all other notices in connection with the delivery, acceptance, performance, default or enforcement of this Note. Borrower expressly agrees that any extension or delay in the time for payment or enforcement of this Note, to renewal of this Note and to any substitution or release of the Property, all without any way affecting the liability of Borrower hereunder. Any delay on Lender's part in exercising any right hereunder or under any of the Loan Documents shall not operate as a waiver. Lender's acceptance of partial or delinquent payments or the failure of Lender to exercise any rights shall not waive any obligation of Borrower or any right of Lender, or modify this Note, or waive any other similar default.

11. Costs of Collection. Borrower agrees to pay all costs of collection when incurred and all costs incurred by the Lender hereof in exercising or preserving any rights or remedies in connection with the enforcement and administration of this Note or following a default by Borrower, including but not limited to actual attorneys' fees. If any suit or action is instituted to enforce this Note, Borrower promises to pay, in addition to the costs and disbursements otherwise allowed by law, such sum as the court may adjudge reasonable attorneys' fees in such suit or action.

12. Usury. Borrower hereby represents that this loan is for commercial use and not for personal, family or household purposes. It is the specific intent of the Borrower and Lender that this Note bear a lawful rate of interest, and if any court of competent jurisdiction should determine that the rate herein provided for exceeds that which is statutorily permitted for the type of transaction evidenced hereby, the interest rate shall be reduced to the highest rate permitted by applicable law, with any excess interest theretofore collected being applied against principal or, if such principal has been fully repaid, returned to Borrower upon written demand.

13. Notices. All notices to be given pursuant to this Note shall be sufficient if given by personal services, by guaranteed overnight delivery services, by telex, telecopy or telegram or by being mailed postage prepaid, certified or registered mail, return receipt requested, to the described addresses of the parties hereto as set forth below, or to such other address as a party may request in writing. Any time period provided in the giving of any notice hereunder shall commence upon the date of personal service, the date after delivery to the guaranteed overnight delivery service, the date of sending the telex, telecopy or telegram or two (2) days after mailing certified or registered mail.

14. Assignment By Lender. Lender may assign its rights hereunder or obtain participants in this Note at any time, and any such assignee, successor or participant shall have all rights of the Lender hereunder.
